## Vehicle Impounding

If your car is parked illegally or you are arrested while driving it the police could have it impounded. They get a contractor to tow it to a secure yard and you have to pay around £150 — £250 to get it released plus a daily fee for storage.

The company who has the contract with the police in this area is:

Name: Robert Campbell Commercials

Address: Argyll Works  
Heather Avenue  
Alexandria  
Dunbartonshire  
G83 0TJ

Tel: 01389 753362

Email: [info@vehiclerecoveryscotland.com](mailto:info@vehiclerecoveryscotland.com)

Directions: From Faslane North gate take the road directly opposite the North gate and at the first roundabout turn right. At the end of this road turn right onto the A82 alongside Loch Lomond. Go straight ahead at the next roundabout and then turn left at the next one. Just down the hill you come to another roundabout. Turn right here continue until you see the hospital on the right and Heather Ave is on the left (signposted to the Industrial Estate).

From Dumbarton/Glasgow direction take the A82. Turn right at the roundabout signposted A811 Stirling. Just down the hill you come to another roundabout. Turn right here continue until you see the hospital on the right and Heather Ave is on the left (signposted to the Industrial Estate).

Nearest Station: Alexandria (on the Balloch line)

It's a good idea to ring them first and let them know you're coming otherwise you have to wait around once you get there while they do all the paperwork.
