

Why Academics Should Oppose Trident.

A Symposium on the Renewal of British Nuclear Weapons.

* Dr Rebecca Johnson
Director, Acronymn Institute for Disarmament Diplomacy
"Trident Renewal: Undermining International Law, Security and Non-Proliferation"

* Paul Ingram
Senior Analyst, British American Security Information Council
"Trident: Domestic Support and International Non-Proliferation Implications"

* Dr Kevin Gillan
City University, Department of Sociology
"Faslane 365 and the History of British Civil Disobedience"

Just one part of British strategy? Determines our security future?

What's this? This meeting will discuss the 'Universities vs. Weapons of Mass Destruction' blockade of Faslane nuclear base on 27-28th June. Presentations will be followed by time for open discussion. All students and university staff welcome. Entry free.

Date: Wednesday 16th May, 2007

Time: 6 - 8pm

Venue: Room 541, Malet Street, Birkbeck University, London. WC1E 7HX
